Projects

YARDGEMS, PROJECT LEADER - 2 WEEKS (BOOTCAMP PROJECT - FULL STACK)
A community-driven platform designed to streamline the yard sale experience. The application eliminates the tedious need to drive around in search of yard sales by providing a centralized platform where users can find and list yard sales in their area. - https://yardgems-15b0faee737f.herokuapp.com/

• Led server setup using NodeJS and ExpressJS.

• Utilized React's context API for efficient global state management.

• Integrated GraphQL API, enhancing data querying and mutation processes.

• Implemented JWT to ensure secure user authentication.

• Facilitated the addition of an image upload feature using Cloudinary to improve user engagement.

MEAL MAPPR, DEVELOPER - 2 WEEKS (BOOTCAMP PROJECT - FULL STACK)
A digital meal planning application designed to simplify nutrition tracking. Offers a recipe search and save feature, enabling users to easily plan meals and monitor nutritional intake. - https://mealmappr.herokuapp.com/

• Styled application elements with Tailwind CSS to enhance the user interface.

• Integrated dynamic recipe search feature via 3rd party API to enrich user experience.

• Developed RESTful API endpoints to extend app functionality.

Projects - continued

ESCAPE ME, SOLE DEVELOPER — 2 WEEKS (PERSONAL PROJECT - FULL STACK)

A customizable booking system initially designed for escape room businesses. Scalable for other business types. - https://escapeme-62de0a91bfcf.herokuapp.com/

• Responsible for end-to-end development.

• Set up the server architecture using NodeJS and ExpressJS.

• Utilized React's context API for efficient global state management.

• Integrated GraphQL API, enhancing data querying and mutation processes.

• Implemented JWT to ensure secure user authentication.

• Established a MySQL database using Sequelize ORM to manage data storage.

• Styled the application using Tailwind CSS, focusing on a user-friendly interface.

Education

UTSA School of Data Science
Certificate - Full Stack Web Development (MERN)
San Antonio, Texas
